The Commander's Corner

Let me start by saying that it is an honor and a privilege to serve as the Commander of AMVETS Post 1111. I have a long history associated with the military. I was born into a military family. My father spent thirty-one years serving in the United States Navy. By the time I joined the Navy at twenty-two I had seen most of the world and the United States. Both Eileen, my wife, and I are retired military; Eileen from the Naval Reserves and me from the United States Army. We have two children. My daughter Beth is married to Jake Zborowski and lives in Caldwell, Idaho. My son William is single, living at home, and attends the viticulture program at Walla Walla Community College.

As we move into the patriotic season of the year Memorial Day just past, Flag Day on June 14th, and the Army 231st birthday also on June 14th and the 4th of July, it gives us an opportunity to reflect on the sacrifices of those who have gone before us. I am proud to live in a country where I enjoy the opportunities and freedoms afforded to me by the Constitution of the United States. The United States is a country where every citizen has the opportunity to pursue his own concept of the American Dream regardless of race, color, religious affiliation, or sexual orientation. It is our diversity and our ability to disagree that makes us strong as a community and as a country. As we enter our 231st year as a nation, we can truly say we have come a long way. We owe a great deal to those who have served and those who continue to serve. So when you see our flag flying, please remember the sacrifices of the men, women, and families that have kept and continue to keep us free.

I would also like to recognize and thank Boy Scout Troop 305 and the downtown merchants, and other supporters of Walla Walla who have generously supported AMVETS downtown flag program. Your support and patriotic spirit allows us to provide the flag and veteran programs. God Bless,

Tim Bow, Commander AMVET Post 1111
