AMERICAN VETERANS—AMVETS

A leader since 1944 in preserving the freedoms secured by America's Armed Forces, AMVETS provides, not only support for veterans and the active military in procuring their earned entitlements, but also community services that enhance the quality of life

Post Commander

What a start to September! The Parade on the 4th was certainly a big highlight for many in the community who attended. It was a lot of fun working with members of the post as we designed and worked together to build this year's award winning entry. Then there was those who volunteered to drive golf cars on the same day at the fair. There were many very appreciative fair attendees who were able to enjoy the fair events as a result of our participation as volunteer drivers! Downtown flags were displayed on both Saturday the 4th and on Labor Day the 6th. We will be out again putting up flags on Patriot day September 11th and POW/MIA day on Friday the 17th.

AMVETS will again be hosting the POW/MIA ceremony at the VA with the Department of Washington Commander Don Schack as the keynote speaker and the AMVETS "Missing Man" table display and ceremony. Activities will be starting in the AM with some light refreshments following. We hope to have some of our POW's from the community and surrounding areas in attendance so come on over to the VA Parade grounds and show your appreciation for their service and your support for urging continued U.S. priority on accounting for

America's missing soldiers. STATUS OF THE POW/MIA: July 7, 2010

1,713 Americans are still listed by DoD as missing and unaccounted for from the Vietnam War, though over 450 were at sea/over water losses: Vietnam - 1,311 (VN-478 VS-833); Laos - 336; Cambodia - 59; Peoples Republic of China territorial waters - 7.

There are many opportunities for members to put on your AMETS hat find a Veteran cause you can support, get involved! Thank you for supporting AMVETS through your membership and volunteer efforts!

Steve Bird, Post Commander

1st Vice Commander

Now that September is here and summer vacations are over it's time to settle down and get back to work.

At this time we have 96 current members 21 annual and 75 life members. I would like to see us over a hundred by the end of this calendar year; with annual dues at \$36.00 and life member at \$180.00, I think we can make it happen. Remember Life membership raises to \$200.00 January 1 2011.

The "Downtown Flag Program" has been growing and we needed to replace the old flag trailer with a larger model. Our new flag trailer will make our work a lot easier and safer by not having to stand on the tailboard. It was put into service on Labor Day September 6th at 6pm.

Hope to see all of you at our next post meeting September 15th.

This picture is of images sandblasted into the granite wall of the Korean Memorial. The memorial history is below.

The memorial is in the form of a triangle intersecting a circle. Walls consist of more than 100 tons of highly polished "Academy Black" granite from California: more than 2,500 photographic, archival images representing the land, sea and air troops who supported those who fought in the war are sandblasted onto the wall. Within the walled triangle are 19 stainless steel statues each larger than life-size. The figures represent a squad on patrol, drawn from each branch of the armed forces; fourteen of the figures are from the U.S. Army, three are from the Marine Corps, one is a Navy Corpsman, and one is an Air Force Forward Air Observer. They are dressed in full combat gear, dispersed among strips of granite and juniper bushes which represent the rugged terrain of Korea. When reflected on the wall, there appears to be 38 soldiers, representing the 38th parallel. To the north of the statues is a path, forming one side of the triangle. Behind, to the south, is a 164-foot-long black granite wall with the photographic images sandblasted into it depicting soldiers, equipment and people involved in the war. This forms the second side of the triangle. The third side of the triangle, facing towards the Lincoln Memorial, is open.

Engraved on granite blocks near the water pool at the east end of the monument are the casualty statistics for the soldiers who fought in the war.

Dead — United States: 54,246 - - Wounded — United States: 103,284

Captured — United States: 7,140 - - Missing — United States: 8,177,[6] United Nations: 470,267.

The Korean War Veterans Memorial was authorized by the U.S. Congress on October 28, 1986, President George H. W. Bush conducted the groundbreaking for the Memorial on June 14, 1992, Flag Day.

The memorial was dedicated on July 27, 1995, the 42nd anniversary of the armistice that ended the war, by President Bill Clinton and Kim Young Sam, President of the Republic of Korea, to the men and women who served during the conflict.
